Oxford Art Online is comprised of the redesigned and easier to use *Grove Art Online* plus *The Oxford Companion to Western Art*, the *Encyclopedia of Aesthetics* and *The Concise Oxford Dictionary of Art Terms* (sources). It has 45,000 articles, 23,000 subject entries, 21,000 biographies, 5,000 images, 40,000 image inks, timelines of world art, thematic guides on major art topics, and search tips displayed with each type of search. *Oxford Art Online* is updated and revised four times a year. A link to the **Guided Tour** PowerPoint presentation about the database is under **Find Out More on the Homepage**.

See It

Remote access – go to our website, www.ccls.org, click the **Access PA Power Library** icon. Type your library card barcode number. Under **Art/Music**, click **Oxford Art Online**.

Library access – same instructions as above, however, there's no need to enter your library barcode number.

Browse It

- All or by section;
- different types of content;
- alphabetically or jump directly to a word or phrase;
- image thumbnails and caption information.

Search It

- Enter your search terms in lower-case letters, unless you want your search to take case into account.
- Limit your search to the sources you check on the left.
- **Click** the **[+]** to view topical subcategories (e.g. "Art and ArtForms-Mosaics"). Select one or more of these to further refine your search.
- Use **AND**, **OR**, **NOT**, and **NEAR** to define the relationship between your search terms.
- Use **?** to replace a single letter you aren't sure of.
- Use ***** in place of one or more letters.
- Search Full-Text Articles, Bibliographies or Contributors.

Tabs

Relevant Search tips are on each tabbed page.

• **Main Search**

Add or delete a source. Refine by searching Full Article Text, Entry Title, Bibliographies or Contributors.

• **Image Search**

Limit your search to image links on other websites. Alternately, search images only found in the print edition.

• **Biography Search**

Search by Occupation, Nationality or Country of Activity, Year of Birth or Death, Place of Birth or Death.

• **Bibliography Search**

Search by Author/Editor name, Book or Journal Title, Chapter or Article Title, or by Publication Year.

Results

- Original search criteria and number of results are clearly displayed
- most relevant results displayed first
- filters to refine the search
- embedded links
- click images to enlarge and see caption
- navigatable outline of the article
- date of article publication, update or revision
- Images tab shows all art works in the article
- Related Content tab cross-references articles in the database
- optional highlighting of your search term

Bibliographies

Include monographs, museum and exhibition catalogs.

Take It Away

Print or e-mail results.

Cite It

Export citations in **MLS** or **Chicago** format. Citations are in **RIS** format and work with **RefManager**, **ProCite** and **EndNote**. Authors and co-authors are listed for each article.
