

LEARN A NEW LANGUAGE FOR FREE THROUGH YOUR LIBRARY

GET STARTED

Visit www.chescolibraries.org > Tools & Research > ALL CCLS Databases > Mango Languages

Sign In, Sign Up, or Use Mango as a Guest

Hint: Creating a Profile is not required; however registration allows you to save your progress and return to a language course at a later time.

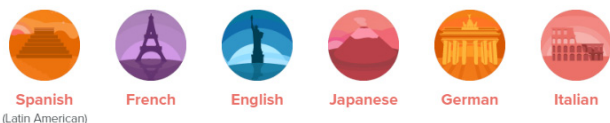

If you are accessing Mango Languages from home or anywhere outside of the library, **you must enter your library barcode number.**

LEARN A FOREIGN LANGUAGE

1. Select a language to get started

Choose one of over 70 language courses.

Find a language. [See All Languages](#)

2. After selecting a language, select a **unit** or **specialty course.**

Not sure where to begin? Use the **assessment** tool to take a short placement test.

3. Start learning! Enable access to computer speakers with microphone access for full use of Mango features.

TOOLS & FEATURES

Mango offers a translation feature, powered by 'Google Translate' as well as culture-packed videos to appeal to different learning styles
